

HPC756RN

Professional bare copper 2-conductors flat cable for passive loudspeakers

Category: Stage Equipment » Proel » Professional bulk cables

Brand: PROEL

Product Code: HPC756RN

Overview

Professional bare copper 2-conductors flat cable for passive loudspeakers, with flexible PVC overall jacket. Section: 1,50 mm². Colour: Black/Red.

Related Products

HPC700

Technical Specifications

Application fields: Passive speaker connections - Home HI-FI

Conductors: Extra fine bare copper 16AWG 28X0,25mm

Cable section: 1,50 mm²/AWG16

Jacket: Flexible Black/Red PVC 60 shore

Overall diameter: 2 x ø 3,20 mm

Electrical Resistance @ 20°C: 13,30 Ohm/Km (conductor)

Electrical Capacitance @ 1 KHz: 115 pF/m (conductor)

Operating temperature: -30°C / +70°C at fixed laying

Minimum bendig radius: 4 x overall diameter

Weight: 44,90 Kg/Km

Available colours: Black/Red

Packaging: 200 m standard carton reel
